

*Breath Freshening Water*

Dear Store Manager,

I have come across a great product called, Speakeasy Breath Freshening Water, and I think it would be a perfect fit for your store.

Speakeasy water is breath freshening mint water with a natural stevia derived sweetener. It has no calories or preservatives and is totally diabetic safe. Speakeasy comes in 8 great flavors including, Peppermint, Spearmint, Orange Mint, Lemon Mint, Chocolate Mint, Vanilla Mint, Cinnamon and Anise.

As a regular patron of your store I would love the opportunity to purchase Speakeasy here on a regular basis.

For pricing and product information, please contact Speakeasy Beverage Corp at 1-877-646-8987 or email at [info@speakeasybeverage.com](mailto:info@speakeasybeverage.com)

Thank you
